Employment

2003-2010 **The Front Weymouth Skatepark.**
Skatepark Assistant.
As well as the usual skatepark duties of tutoring, cleaning and money handling, I took on the role of designer. I produced everything from all posters and leaflets for print, to handling the online content and complete re-design of the web site.

2009 **Goldust Design.**
Work placement.
I attended a short term internship at the small Poole based design studio. I was responsible for helping with the ideas and design of the studios projects

2009 **LV= (Liverpool Victoria).**
Work placement.
I spent a month with the in house design team at the Bournemouth branch of Liverpool Victoria. I made amendments, worked on concepts and designed adverts for various publications while working with them.

2009 **Sauce Design.**
Work placement.
I spent a month working at Sauce design studio in Farringdon, London. I worked alongside them on concepts and ideas as well as creating artwork for their clients.

Freelance

2007 **Craftsman Carpentry.** I created the complete identity of the company. This spread wide across their stationery, website, fleet of vans, work clothing and advertisements for a variety of publications. I created the website, using html, css and flash. I was also commissioned to take all the photography.

2009 **Limetree.** Limetree is a small deli based in Thames Ditton, I update the advert they post in the local publication advertising their new goods for the month.

2009 **Dorset County Council.** I was approached to create a leaflet and a poster for a Mobile Skatepark scheme. I was asked to perform the photography myself also.

2009 **Weymouth College.** I was asked to create concepts and graphics for a networking website for the College student and teachers. I collaborated with other professionals to create ideas and the graphics to create the site.

2010 **Kayleigh Adams.** I was approached to create a business card for Kayleigh Adams Weddings and Celebrations.

2011 **Untitled.** I was asked to create an identity and layout for sound artist Harry Able's latest installation named 'Untitled'.

Education

2003-2005 **Art and Design,** BTEC National Diploma, *Budmouth Technology College, Weymouth.*

2005-2007 **Visual Communication,** Foundation Degree, *Arts Institute, Bournemouth.*

2007-2009 **Information Design,** BA (hons), *London College of Communication.*
